

KNIGHT CENTER WORKSHOPS
Fall 2008

Friday, Oct. 10, 2008

Time: 2 pm – 5 pm

Location: Room 2046 (Photo lab)

Frances Wolfson Building, School of Communication

Limit: 16 people

For SoC students

New Media Reporting: Video-editing for web news packages

Students will learn to edit short video clips for web news stories using Final Cut, a widely adopted video editing software. At the end of the workshop, students should have a basic understanding of format and techniques for incorporating audio-visual elements and storytelling to a print story online.

Open to University of Miami School of Communication students.

To register, email Chris Delboni at delboni@miami.edu

Instructor: Trevor Green -- Video Editor and Operations Assistant at the University of Miami School of Communication's Knight Center for International Media. He joined the School of Communication staff in April 2008. Trevor supports undergraduate and graduate students on visual communication projects and maintains the Knight Center convergence lab facilities.
